

NEWBURGH MUSEUM FOUNDATION CORPORATION

MEMBERSHIP NEWSLETTER Summer 2020

Welcome back! I hope you all have remained safe and healthy. We have missed seeing you at the Newburgh Museum. As Gov. Holcomb has given museums a green light to open, we have worked diligently to make our Museum a safe place for both our visitors and staff. Our current exhibit, Hot Time in the Old Town, opened June 20. It includes many items on loan from the Newburgh Fire Dept and Chandler and Yankeetown fire stations (part of the Ohio Twp Fire Dept) as well as many related toys and collectibles. You won't want to miss it. Check out all of the details on our website: www.NewburghMuseum.org

As I write this, Newburgh Remembers is fast approaching. This year we have added some new events that we hope the whole family will enjoy. Of course, the perennial favorite, The Ladies' Tea, has returned with a new location at Rolling Hills Country Club. Our new events include on Saturday, July 18, a conversation with Ray Mulesky author of Thunder from a Clear Sky, the story of the capture of Newburgh by Stovepipe Johnson of the Confederacy. The day continues with a guided walking tour of notable historic sites and Bourbon and Jazz in the evening. Sunday, July 19, we begin the day with a non-denominational church service, wreath laying commemorating our fallen soldiers and food trucks and old-fashioned children's games. A historic church tour will take you to visit four of Newburgh's old churches, some of which I'll bet you didn't know were churches! Of course the Museum will be open. We hope you will come visit! Check our website for event times and ticket prices: www.NewburghMuseum.org/newburgh-remembers/

Here at Newburgh Museum, we have had busy year planning, adjusting and replanning. We are about to begin a new year of fundraising, exhibits and new and innovative ways to reach out to our community and schools. With that said, NEW, NEW, NEW is the Speaking Series! Guest speakers will visit the first Sunday of the month beginning July and continuing through November. Our first presenter will be Jay Davis, Yankeetown Fire chief and third generation lock master, retired. Plan to attend, it's free! Check our website for the full schedule: www.NewburghMuseum.org/speaking-series/

I am very excited about our upcoming plans. Stay tuned! Like us on facebook and check-in to our website often to see what's happening at the Newburgh Museum!
