Our Mission Statement:

The Newburgh Museum is a community museum that researches, collects, preserves, displays, and interprets the history and culture of Newburgh Indiana. The Museum creates a better understanding and appreciation in the citizens and visitors for the unique river town's heritage.

If you believe in our mission statement and would like to be part of the museum and their mission, we will welcome you as a member and a participant with our vision. Please help us support our mission for the benefit of the community. The levels of membership are listed below. Museum Members enjoy a 10% savings off certain Museum Events throughout the year.
