Made in Newburgh Video - Discussion & Activities:

1. How did woodworkers in the 1800's learn their craft?
2. What woods were used in the 1800's?
3. Did wood workers in the 1800's build their own tools?
4. Modern wood workers use glues to join wood. How was this done in the 1800's?
5. How have tools evolved throughout the years?
6. Are there set rules to follow when working on a project?
7. How was a tree cut down in the 1800's?
8. How was wood shaped in the 1800's?
9. What is the Kuebler Cradle?
10. How long would it take to build this cradle?
11. What is the Bethel Rocking Chair?

Challenge: What would you like to make with your own hands or with the help of some tools. Perhaps work with a parent or other adult to make your idea a reality.
